Editor's Note

As JCI Perlas Pasay celebrates its 45th anniversary, I, on behalf of the 2025 Board of Directors, proudly present this souvenir magazine to honor the past 44 years of service and leadership our sisterhood has offered—and to commemorate the 45th year that continues to unfold.

Creating this publication has given me the delightful opportunity to peer into the rich history of JCI Perlas Pasay, founded in 1980 by the strong and beautiful women who served before us. It was a wonder to read their stories and flip through old photographs. It stirred in me a feeling I'm sure many newer members share: that we are part of something bigger than ourselves—something historical.

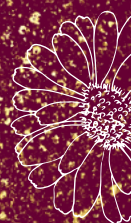

It has been a pleasure serving with the 2024 JCI Perlas Pasay Board of Directors under the leadership of our 45th LO President, Nanelyn Bontoyan-Santos, who has been a guiding light in championing our theme, *Inclusive Leadership*. In 2024, we celebrated our differences and ensured that everyone felt included in our shared pursuit of positive change. Congratulations, Pres. Nhanie, and the 2024 Board of Directors!

As we step into our 45th year, we now look up to the compassionate leadership of our 46th LO President, Daisy Charlene Limbaroc. Under her guidance, we trust that we will continue to think beyond ourselves and truly embody our 2025 theme—*Dare to Care*.

Always, my deepest gratitude goes to the 2025 JCI Perlas Pasay Board of Directors for your support in bringing this publication to life. As Editor-in-Chief of The Pearl Gazette, it is an honor to bear witness to JCI Perlas Pasay's progress and to chronicle our collective achievements along the way.

Here's to many more. Congratulations, everyone!

2024 President

a message

As we close the remarkable chapter of the 2024 Board of Directors, my heart is full—with gratitude, pride, and deep respect. To our dedicated board, every member who gave their time, talent, and heart, to our generous sponsors and partners who believed in our advocacy, and to our sister chapters who supported us in every form—thank you. Your passion, resilience, and unwavering commitment to our mission have made this year not just memorable, but truly unforgettable.

Serving as your 45th President and 2024 Local Organization President has been more than just a title—it has been a life-changing journey. Together, we sowed the seeds of change, nurtured a culture of inclusive leadership, and built bridges of impact that reached far beyond our own walls. Every challenge we faced became an opportunity to grow, and every success we celebrated became a testament to what we can accomplish together.

As I pass the torch to Pres. Daisy, I do so with absolute confidence and pride. You were with me when we dared to dream, when we worked side by side to turn vision into action. Together, we finished 2024 with a bang. I know, under your daring yet caring leadership, JCI Perlas Pasay will continue to rise, stronger than ever.

Looking forward, I challenge us all to keep pushing the boundaries of what's possible. Let's set bolder goals, lead bigger projects, and uplift more lives. Let us grow our membership by bringing in passionate individuals who embody our values of purpose, service, and excellence.

But as we serve others, let us also remember to care for ourselves. Leadership is not just about action—it's also about compassion, balance, and the courage to pause when needed. Let's continue building a chapter that uplifts one another—not just professionally, but personally.

For 2025, I envision a year marked by community-driven action—projects that don't just make an impact, but truly transform lives. Projects that reflect who we are: bold, diverse, inclusive. As you embrace this year's theme, "Dare to Care," may every initiative remind our communities that they are seen, heard, and empowered.

And finally, never stop learning. Never stop growing. Never stop daring to dream. As I step back, know that I will always be your biggest supporter, always rooting for your success. Because with your hearts in the right place and your hands always ready to serve, I am certain: the best is yet to come.

Maraming salamat, Perlas. Serving you has been one of the greatest privileges of my life.

With all my pride and gratitude,

NANELYN T. BONTOYAN-SANTOS
45th President | 2024 Local Organization President
JCI Perlas Pasay

Taking on the role as the 2025 President of JCI Perlas Pasay is both humbling and empowering. It is something I carry with deep gratitude and full awareness of the responsibility it holds. This is not only a new term, but a continuation of a story we are all writing together: a story of women daring to lead, daring to serve, and daring to make a difference - for 45 years and beyond.

When I joined JCI Perlas Pasay in 2019, I didn't immediately see myself as a leader. I was quiet, observant, staying in the background, unsure of what I could offer. Like a pearl forming beneath the surface, pressure and time revealed something stronger inside me. My first official role was as Secretary in 2020, during a year of great uncertainty. Even then, I felt the heartbeat of this organization, women lifting each other up, creating projects that mattered, and turning vision into action. JCI challenged me to come out of my shell. And step by step, I did.

This year, our theme is "Dare to Care."

In a world that often rewards performance over purpose, I believe it takes real courage to care, to lead with empathy, to serve with sincerity, and to connect deeply with the communities we aim to impact.

To dare to care means daring to listen, to show up, to lead not from ego, but from heart. It means building projects that don't just tick boxes but change lives. It means empowering women to speak up, take space, and be the leaders they were born to be.

I cannot take this journey alone and I am very grateful for the support I am getting. To our past presidents and mentors, thank you for building the foundation we now stand on, and for showing us what courageous leadership looks like. To my 2025 Board of Directors, thank you for saying yes to this mission and showing up with so much heart. Six months down and six more to go. I am proud to serve alongside you, and happy to share experiences with you as friends. To my family and friends, thank you for your patience, your encouragement, and your belief in me even on the days I doubted myself. To every Perlas member, thank you for believing in me. I will give my best because you deserve nothing less.

My sisters, we are pearls, each of us shaped by time, experience, and resilience. And just like pearls, we shine brightest when we are brought into the light. We are not here to lead for the sake of leadership. We are here to lead because we care.

As we proudly celebrate 45 years of JCI Perlas Pasay, let us write a chapter where impact is not just seen, but felt, not just in numbers, but in lives changed. Let us shine like the pearls we are - strong, resilient, and uniquely formed. Together, let us Dare to Care and make 2025 a year to remember.

JCI Sen.
Lavi Peña Verde
1999 JCI Perlas Pasay President
KEYNOTE SPEAKER

*D*istinguished Guests, Fellow JCI Perlas Pasay Past Presidents and Members, Fellow JCI Senators, Friends, Ladies and Gentlemen, good evening!

When Pres. Daisy invited me to deliver the keynote message for our induction tonight, I was pleasantly surprised and asked her why me. She said “Ikaw po kasi ang unang past president na nakilala ko sa chapter.” Truth be told, I was also behind the move to set up Daisy to be our 45th President. Remember Mesa One Ayala event Pres? This captures the essence of the saying, “When opportunity knocks, open the door wide.” It’s a powerful reminder to pay attention to the present moment, because it’s constantly presenting opportunities for you to embark on the next exciting chapter in your life.

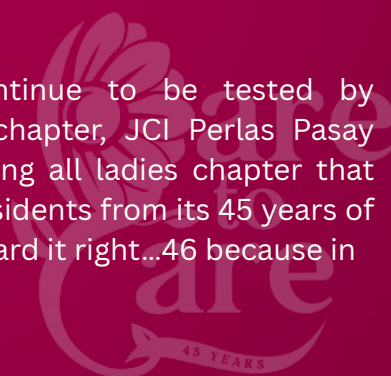

45 years ago, that opportunity came to JCI Perlas Pasay when our chapter was chartered as a home for nurturing young women molded to lead with significance. As a past president, looking back at my time with this chapter, I can honestly say it was nothing short of a life-changing experience. My journey of leadership with JCI Perlas Pasay is anchored on 3Ps....Passion. Purpose. Possibilities.

Passion. I remember in 1995, I was searching for something more in my life. A childhood barkada and dear friend, PP Daisy Francisco-Manguiat, invited me to a “fellowship”. A bit skeptic of her agenda, I wasn’t that excited in joining her. But she said the magic words: food and boys! So off I went with her. This fellowship turned out to be a joint GMM with our sister chapter JCI Paranaque Pambato. Something about that event got me curious, there was an atmosphere of excitement and camaraderie. That fellowship led me to attending the Perlas meetings and projects with then President JCI Sen Cynthia Francisco-Timbol. The rest is history...I was bitten by the Jaycee or JCI bug. My yearning for something beyond transformed into a lifelong belonging to JCI Perlas Pasay—a vibrant community that became the very compass for my passion.

I have been privileged to witness Perlas passion in action when we co-hosted the iconic Manila World Congress in 1998 and the 55th JCI Philippines Natcon in 2003. Perlas ladies led the the critical and important Secretariat and Logistics committee during the 1998 Manila World Congress where the ladies confidently managed airport reception, transportation, media and information, government affairs and general services.

Then in 2003, we took a bold move of hosting the 55th National Convention in Tagaytay. Tagaytay Natcon will remain a bittersweet event for the chapter. It was barely two weeks before Natcon when one of the prime mover of the back end preparations, our beloved mentor and past president JCI Sen Lilia Diaz was shot dead by unidentified gunmen on her way to testify before the Sandiganbayan. Amidst our grief, we remained resilient in staging one of the best NatCon experienced by the national organization.

Years later, we continue to be tested by challenges yet our chapter, JCI Perlas Pasay remains to be a strong all ladies chapter that has produced 46 presidents from its 45 years of existence. Yes you heard it right...46 because in

1988, JCI Senator Aggie Angeles needed to step up and fill the presidency due to personal circumstances of our then president Pilar Perez-Packer. That's how Perlas is and will always be: relentlessly passionate in making a positive difference. Despite late nights planning projects and spirited debates during meetings, we anchor on the sheer joy of seeing our initiatives come to completion. Our passion, ignited by our collective desire to make a difference, became the fuel for everything we did. It wasn't always easy, but it was always rewarding because we were driven by something bigger than ourselves.

Purpose. JCI Perlas Pasay provided a clear platform for me to define and live our purpose. After my presidency in 1999, I was invited to assume various positions in area and national. For me, the most impactful position I held in the national organization was being the National Training Director during the term of Past National President Jimjim Yaokasin. I knew then that I have the gift of inspiring others through public speaking. This position became my launch pad in realizing my purpose in enabling others to become their best version through training. Again, I wanted something valuable to come out of my term that will benefit the trainers and aspiring trainers in JCI Philippines.

It was during my term as National Training Director that the first ever JCI Trainers Forum was born. The vision was simple: to cultivate a community of empowered JCI trainers, fostering continuous growth and leadership through shared expertise. Last I heard, the trainers forum is being done as a sub event during NatCon. Fast forward to the present day, I'm thankful being part of "breakthrough" project GABAY program of JCI Philippines. Being part of the National Skills Development Directorate in 2021 was my way of paying forward to an organization that provided the foundation for my career and lifelong purpose. Little did I know that my purpose of inspiring others through training and public speaking will become my vocation as I set up my human capital development company Opus Ad Lucem Inc. Now on my 12th year as its Chief Learning

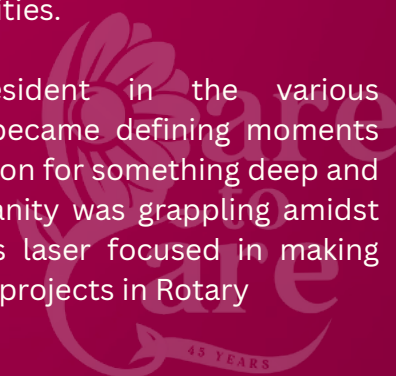

Enabler, I have committed myself to the purpose of enlightening the path to individual and collective greatness through training, coaching and mentoring.

My experience serving JCI Perlas Pasay and JCI Philippines was not just about titles or positions. It was about identifying needs and stepping up to address them. Throughout my JCI journey, I witnessed firsthand how our collective efforts translated into tangible impact. Every project, every initiative, solidified my understanding of what it means to truly serve with a heart. This journey opened countless opportunities for growth, for service, and for building a lasting legacy. We weren't just running projects; we were shaping lives, including our own.

Possibilities. From passion and purpose sprang forth endless possibilities. Possibilities for personal development, for leadership, and for forging bonds that transcend time. When I said "yes" to PP Daisy's invitation and "yes" to my presidency in 1999, I never thought I'm saying "yes" to possibilities.

Truly humbled and grateful that as of today, I'm still the only Filipino JCI member to win back to back grand slam award as Outstanding Member and President in the area, national convention, World Congress and Asia Pacific Conference, an honor that I owe to the chapter for giving me an opportunity to serve and to other people for generously supported and believed in me. Because of my solid grounding and experience as a leader in JCI, I moved forward and led various organizations. But I realized that leading organizations was not that simple as I dealt with members from across generations and varying circumstances. Yet, despite the complexities of unifying diverse voices, I was consistently anchored on possibilities.

My term as President in the various organizations I led became defining moments that laid the foundation for something deep and meaningful. As humanity was grappling amidst the pandemic, I was laser focused in making sure that our service projects in Rotary

Club of Makati Jose P Rizal were implemented despite the lockdowns, even giving birth to a new signature club project “Jardin Pamayanan ni Rizal” a sustainable community pantry which evolved to a community and livelihood project in San Jose Sico Batangas earning a grant worth USD76,000 from The Rotary Foundation. Being the first Filipino recipient of a full MBA scholarship grant under the Young Leaders’ Program of Japan Ministry of Education, Culture, Sports, Science and Technology, I, together with fellow JCI members alumni, some of them coming from our chapter namely PPs, Marie Murillo-Smith, Hazel Saez, Cathy Billiran and JCI Mem Jeane Alay, continue pushing forward in rallying JCI members to earn a seat in one of the best MBA university in the world.

JCI Perlas Pasay taught me to dream....to dream big....to dream of possibilities forever changing not just what I saw as possible, but who I could become. But wait there’s more... through JCI Perlas Pasay, I gained not just colleagues, but lifelong friends and an extended family. These are the people who celebrated my triumphs, supported me through challenges, and pushed me to be better. The network you build here, the skills you hone, and the confidence you gain will open doors you never even knew existed, long after your active membership.

Passion. Purpose. Possibilities. As we celebrate the 45th induction and turnover ceremonies of JCI Perlas Pasay, we are grateful for the year that was. President Nhanie and team, thank you for your unwavering commitment and dedication. When we had that merienda in Pancake House in Greenbelt Pres Nhanie, I said this to you “You will get out of your one year to lead as a better person.” Through your struggles and challenges, you were being shaped to become a person of profound significance, leading with a heart molded by empathy and unwavering compassion.

On behalf of your past presidents, maraming salamat!

The beauty of JCI lies in its continuous cycle of renewal. As we welcome a new set of leaders tonight, led by a strong, yet quietly impactful presence, President Daisy, remember that you are stepping into a legacy of passion and purpose. Embrace the challenges, celebrate the victories, and never stop exploring the vast possibilities that lie ahead. Your journey with JCI Perlas Pasay is a unique canvas, waiting for you to paint your own vibrant strokes of impact.

To the incoming board, lead with courage, innovate with conviction, and inspire with your unwavering commitment. To all members, new and seasoned, continue to ignite our passion, live our purpose, and relentlessly pursue every possibility for positive change.

As we continue our journey through life, let's all be reminded that leadership isn't about the gavel you once held; it's about the value you continue to add to every life you touch. It's the quiet, consistent act of empowering others, long after your term ends, that truly defines a life of significance.

Mabuhay ang JCI! Mabuhay JCI Perlas Pasay!

This milestone is a testament to your chapter's enduring legacy of empowering leaders, creating impact, and standing as a beacon of hope in the Pasay community.

As you welcome your new set of officers under the capable leadership of 2025 President Daisy Charlene Limbaroc, I am filled with excitement for the path ahead. Congratulations as well to the entire 2025 Board of Directors may your term be one of purpose, passion, and people-centered service.

President Daisy's theme, "Dare To Care," speaks volumes in today's world. It is a bold call to lead with empathy, to serve with intention, and to build with compassion.

In JCI Makati, we rally behind the theme "Accelerate The Future," and I believe that caring is the very force that propels true progress forward. For it is only when we dare to care about our members, our communities, and our values that we begin to unlock the speed and scale of transformation our future demands.

As our organizations continue to collaborate, I look forward to more meaningful partnerships where care and action converge because together, we don't just imagine the future, we accelerate it.

Congratulations once again on your 45th year of excellence and impact. Mabuhay ang JCI Perlas Pasay!
