Message from the Chairman

As JCI Perlas Pasay steps into our 46th year of service, we carry with us the history of a chapter that is made up of inspiring women, excelling in their own fields while collectively building this sisterhood we continue to be a part of and grow with. Whether each of us walks in business, law, governance, education, healthcare, and more, we find one ground we stand on together and that is the commitment to lifelong leadership within our communities. Through these unique standpoints, we have been able to steward positive change and empower young leaders since our local organization's inception in 1980.

It is an honor to be within the conveyance of such a rich record of women-led positive impact, and I, along with the 2026 JCI Perlas Pasay Board of Directors, will continue to carry this legacy with pride. In 2026, we honor a Heritage of Excellence by celebrating the people who have built the organization we are today, continuously leading forward to a present that continues to embolden leaders and inspire change.

My deepest gratitude to all our members, partners, communities, sister-chapters, and fellow JCI local organizations for making all of this possible.

To the 2025 Board of Directors of JCI Perlas Pasay, a heartfelt thank you and congratulations. To the 2026 Board of Directors, whom I shall serve with this year—let us continue writing our story of service, progress, and excellence; *now* and for more years to come.

Message from The Mayor of Pasay City

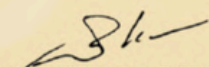

Greetings of peace and solidarity!

For countless years, JCI Perlas Pasay has always been a helping hand in our collective thrust to elevate the lives of our people. Like we always say, *"upang maiangat ang antas ng buhay ng bawat isa."* This alone is enough purpose for us to jumpstart our platforms and positions to come up with projects and advocacies that are Effective, Modern, and Impactful. Truly complementary to the thrust and vision of JCI Perlas Pasay.

When Tapat at Higit sa Sapat na Paglilingkod integrates with the tenets and values of JCI Perlas Pasay, there is undoubtable brilliance in the delivery of public service. Much thanks to the past board of officers who have truly paved the way for the esteemed organization to how incredible it is today.

Now, it is time for the 46th set of officers to make their marks not just in JCI history, but for our country's landscape as a whole, where help is truly needed and appreciated. Trust that in the countless years to come, JCI Perlas Pasay will always have a proud and welcoming home in Pasay City, where we can continuously collaborate, communicate, coordinate, and commit: for our Pasayenyos and for our fellow Filipinos.

Congratulations and more power, JCI Perlas Pasay!

Message from The JCI Philippines Metro South Regional Vice President

Gabrielle Camille Basiano

Leadership is a choice. You choose to give your time, your energy, and your heart to something bigger than yourself and honestly, that already takes a kind of courage not everyone has.

I won't say this term will be easy. Hindi naman talaga. But what I can promise you is this, you won't have to go through it alone. You have your BOD, and you have your Region right behind you.

We can feel na you're not just here to accomplish things. You're here to create meaning. You understand that impact isn't about how big things look, but how real they feel to the people you serve. And that culture? Hindi 'yan napipilit. It's built by people who genuinely care and that's exactly what I see in JCI Perlas Pasay.

I know you'll reach your goals this year as long as you stay together, support each other, and keep your intentions in the right place. Lean on one another. Lift each other up. Grow through everything, together.

Because leadership isn't about getting everything right. It's about showing up, doing what you can, and choosing to keep going even when it gets hard.

And that? That's more than enough.

Congratulations to the 2026 Board Of Directors of JCI Perlas Pasay!

Message from The 2026 LO President of JCI Pasay

Gabriel Ross G. 'Gab Sebastian'
Cunanan

In every community, there are organizations that serve quietly, and then there are those that move with purpose—uplifting lives, shaping futures, and redefining what leadership looks like. JCI Perlas Pasay stands firmly among the latter.

More than an organization, JCI Perlas Pasay is a movement of empowered women who have chosen to rise—not only for themselves, but for the countless others who look to them for hope, guidance, and opportunity. Their work transcends programs and projects; it is rooted in a deep, unwavering commitment to creating meaningful and lasting impact, especially in the lives of women who are often overlooked and underserved.

One of their most remarkable contributions lies in the field of community and livelihood development. Through carefully designed initiatives, JCI Perlas Pasay has opened doors for women to gain skills, build confidence, and establish sustainable sources of income. These are not just workshops or short-term interventions—they are life-changing opportunities. Each program equips women with the tools to stand on their own, to provide for their families, and to reclaim their dignity through honest and empowered work.

Behind every community and livelihood project is a story: a mother who can now send her child to school, a young woman who discovered her potential, a family whose future has been rewritten. These are the quiet victories that define the legacy of JCI Perlas Pasay.

But beyond economic empowerment, what they truly cultivate is self-belief.

In a world where women are still, in many ways, fighting to be seen and heard, JCI Perlas Pasay boldly demonstrates that leadership has no gender. They lead with strength, compassion, and vision—proving that women are not only capable of leading, but are essential to shaping a more inclusive and progressive society.

Their presence alone sends a powerful message to young girls: You belong here. Your voice matters. Your dreams are valid.

Every project they launch, every community they touch, and every life they transform becomes a testament to what is possible when women are given the space to grow and lead. They are not just empowering women of today—they are inspiring the leaders of tomorrow.

Little girls who witness the work of JCI Perlas Pasay grow up with a different kind of belief. They see women taking charge, making decisions, building communities, and creating change. And in that vision, they begin to see themselves—not just as participants in society, but as future leaders who will one day carry the torch forward.

This is the ripple effect of true empowerment.

JCI Perlas Pasay understands that leadership is not about titles—it is about service. It is about showing up, even when it is difficult. It is about choosing to uplift others, even when no one is watching. And most importantly, it is about leaving a legacy that extends far beyond one's term or tenure.

Their work reminds us that when women rise, communities rise with them.

As we celebrate their journey and honor their contributions, we also recognize the profound impact they have made—not only in Pasay, but in the hearts and lives of everyone they have reached. Their story is one of courage, resilience, and unwavering dedication to a greater purpose.

May JCI Perlas Pasay continue to shine as a beacon of empowerment. May they continue to build, to inspire, and to lead. And may their legacy remind us all that the future is brighter when women are given the opportunity to lead it.

OUT OF MANY, ONE... Always.

Warmest greetings to the inspiring women of JCI Perlas Pasay.

My heartfelt congratulations to Incoming President Krystene Baldovieso Bello as you begin this meaningful leadership journey. I have had the privilege of serving alongside Krystene during the Imagine Rotary Year, where we led together under the inspiring leadership of Jennifer Jones, the first woman to serve as Rotary International President. That year was a powerful reminder that when women lead with passion, compassion, and purpose, we create opportunities not only to uplift communities, but also to empower young leaders and volunteers to become better versions of themselves.

Krystene's heart for service and her commitment to youth empowerment have always stood out. Her leadership reflects courage, empathy, and a genuine desire to create meaningful change. I am confident that as she leads JCI Perlas Pasay, she will continue to inspire phenomenal leaders, strengthen partnerships, and create impactful initiatives that uplift both members and communities.

I also extend my sincere appreciation to Outgoing President Daisy Charlene Limbaroc for your remarkable year of leadership. Your dedication and hard work have strengthened the organization and laid a solid foundation for continued growth. Your contributions have further empowered women leaders and expanded opportunities for meaningful service.

As young leaders in JCI serve alongside JCI 2026 President Alejandra Castillo of JCI Bolivia, we are reminded of the growing strength of women leaders around the world. This shared leadership continues to inspire organizations like JCI Perlas Pasay to empower women and youth to lead with courage, compassion, and purpose.

Krystene, you are never alone in this journey. The Phenomenal Leaders and the Rotary family who have witnessed your passion and dedication will always stand beside you, supporting advocacies that align with our shared mission—to serve our communities and empower our members to achieve their goals and create lasting impact.

To the young leaders of JCI Perlas Pasay and the pillars of leadership who continue to guide the organization, your collective strength continues to build a legacy of empowered women and meaningful service. May this new year bring continued growth, impactful projects, and strengthened partnerships.

Congratulations, President Krystene, on this beautiful new milestone for you and your chapter. May your year be filled with purpose, inspiration, and phenomenal success.

a message from the 2025 LO President

As I look back on my journey as the 2025 President of JCI Perlas Pasay, I am filled with gratitude for the opportunity to serve and joy in what we have achieved together.

Guided by JCI Philippines' call to action "Build Better," we embraced the challenge of creating meaningful programs that strengthened communities, empowered members, and upheld the JCI values.

Leading JCI Perlas Pasay in our 45th year has truly been an honor. It allowed me to witness firsthand the passion, resilience, and dedication of our members. Each project we carried out was not just an achievement, but a memory of how we dared to care and worked hand in hand to make a difference. While the year was not without challenges, through shared vision and teamwork we reached milestones that reflect the very heart of JCI: service, leadership, and impact.

I am deeply thankful to our 2025 Board of Directors, Perlas members, Past Presidents, JCI sister chapters and friends, external partners, and my family for their unwavering support. Each of you gave your time, talent, and heart to make our programs successful. Together, we proved that our strength lies in collaboration and collective purpose.

As we turn over leadership to the 2026 Board, I extend my warmest congratulations to Pres. Krystene and the incoming officers. Under the theme "Heritage of Excellence," may we honor the legacy of our chapter while continuing to chart new paths of growth and innovation. I am confident that JCI Perlas Pasay will soar to greater heights as you carry forward this heritage with dedication and excellence.

To my fellow members, let us continue living out the JCI values and always choose to Dare to Care, carrying our Heritage of Excellence as we Sustain the Future.

a message from the 2026 LO President

With a heart full of gratitude and humility, I am deeply honored to serve as the 2026 President of JCI Perlas Pasay—an all-female chapter that truly embodies empowerment, resilience, and purposeful leadership. This role marks both a meaningful milestone in my journey and an exciting new adventure—one that I embrace with optimism, courage, and a strong sense of purpose.

JCI has become more than an organization to me—it has become family. Through this journey, I discovered passions I never knew I had, built lifelong friendships, and gained lessons that I will carry with me for years to come.

I am especially grateful to Senator Albert Alday of JCI Makati Senate for inviting me into JCI, and to Past President Marilace Conanan Rivero for warmly welcoming me into JCI Perlas Pasay. From that moment, I found myself surrounded by inspiring women whose strength, compassion, and dedication fueled my growth as a leader and as a person.

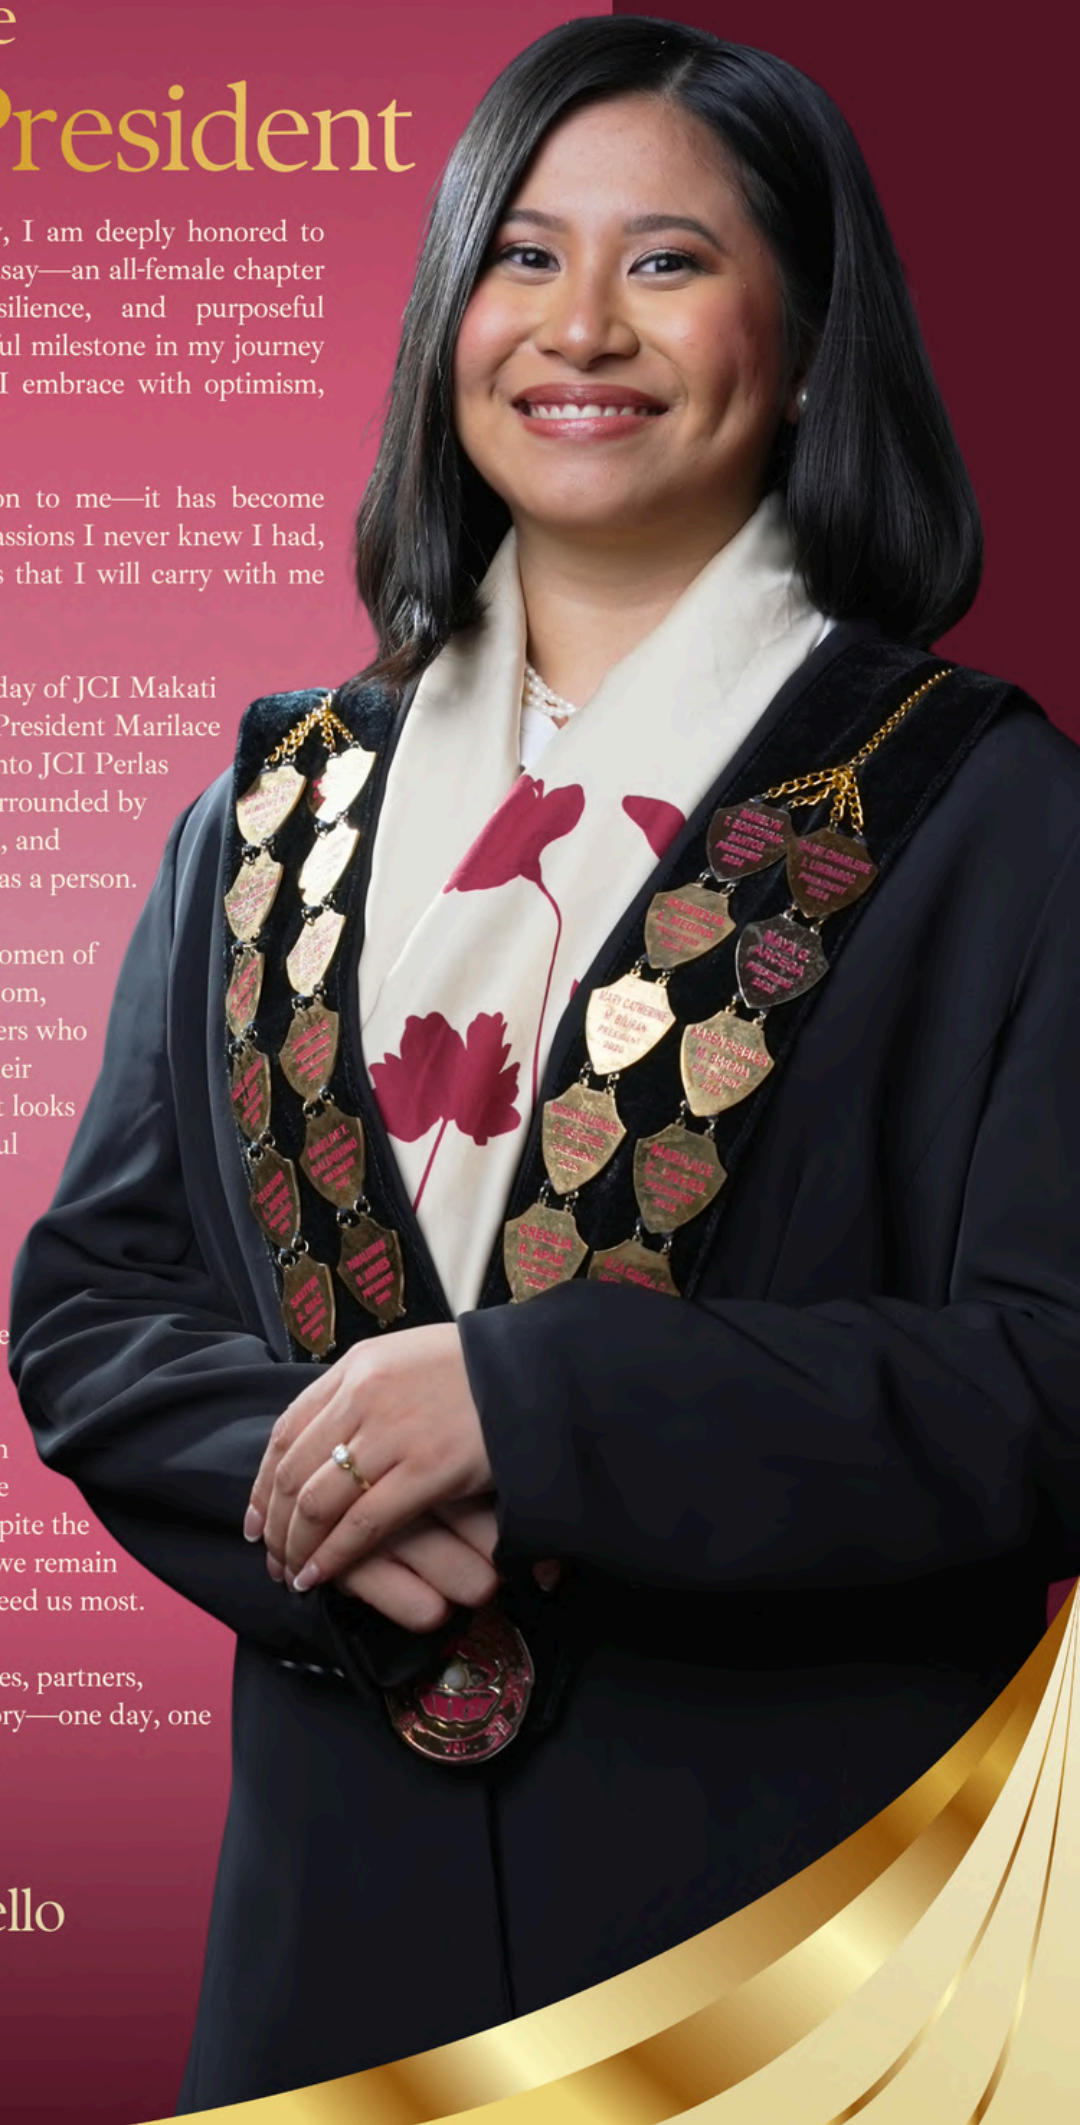

As a BBJC, I looked up to the remarkable women of this chapter—mentors who guided with wisdom, leaders who inspired through action, and sisters who supported one another with genuine care. Their example showed me what true empowerment looks like, not just in words, but through meaningful service and lasting impact. Today, it is both humbling and inspiring to lead the very organization that helped shape my journey.

This year, we embrace Heritage of Excellence—a theme that reflects not only our vision, but the legacy we continue to build together. Heritage is created one day at a time, through every project we initiate, every partnership we nurture, and every community we uplift. Despite the challenges and surprises life may bring, may we remain united in one purpose—to serve those who need us most.

Together with our members, Senate, associates, partners, and community, let us continue writing history—one day, one project, and one empowered leader at a time.

With gratitude and purpose,

The 2026 Board of Directors

Heritage of Excellence

The 2026 Call-to-Action

In 2026, JCI Perlas Pasay celebrates its 46-year strong *Heritage of Excellence*.

The Heritage of Excellence theme of JCI Perlas Pasay is a powerful narrative that honors legacy while boldly embracing the future. At its core, it represents the idea that true leadership is not passively inherited, but intentionally created—through vision, service, and purposeful action. The golden quill stands as the central symbol, embodying the organization's commitment to writing its own history through thought leadership, advocacy, and meaningful impact. Rooted in tradition yet forward-looking in spirit, the quill bridges the achievements of the past with the aspirations of a new generation of empowered women leaders.

Seamlessly integrated into the quill are laurel leaves, long regarded as symbols of honor and achievement, reinforcing that excellence is not an afterthought but an intrinsic part of leadership itself. Accented with refined fuchsia tones, these elements reflect feminine strength, passion, and the modern identity of JCI Perlas Pasay—elegant, confident, and unapologetically bold. Anchoring the design is the pearl, a timeless emblem of the organization, representing resilience, growth, and the beauty formed through experience.

Together, these elements convey a unified message: a sisterhood of women grounded in heritage, driven by purpose, and committed to shaping the future—**leaders who continuously write their story with excellence.**

Message from The 1988 JCI Perlas Pasay President & JCI Senate Pasay Charter President

JCI Sen. Maria Agnes J. Angeles
#53211 CCF

Warmest congratulations to JCI Perlas Pasay Inc. on your 46th Induction and Turnover Ceremony!

As a proud Past President from 1988, my heart is filled with joy and gratitude witnessing how the chapter has continued to flourish and uphold a legacy of leadership excellence through the years. What began as a shared vision has grown into a powerful testament of commitment, resilience, and purpose-driven service by each Member and Officer who has journeyed with and served Jci Perlas Pasay the past 45 years.

To the incoming officers led by President Krystene Bello may you lead with passion, integrity, and unity. To the outgoing leaders 45th President Daisy Limbaroc and her Board, thank you for your graceful leadership, dedication and the strong foundation you leave behind. Our Chapter has been committed to sustainability of service and projects in the community.

The awards and citations you garnered in 2025 is a testament to that and your success.

And to all members—past and present—you are the living proof that true leadership transcends generations.

JCI Perlas Pasay Inc. stands today not only as a chapter of excellence, but as a beacon of empowered leadership and meaningful impact in the community. I am deeply honored to have been part of its history and even more proud to witness its continued success.

Here's to many more years of inspiring leadership and transformative service! With pride and heartfelt congratulations,

History of JCI Senate Pasay

JCI Senate Pasay was chartered and affiliated formally with JCI Senate Philippines in July 16, 2016 at the initiative of Past President Bic Bic Garcia, Secretary General Monching Nanadiego and JCI Perlas Pasay Charter President Sen. Lorna Verano Yap (+) to have only one affiliated JCI Senate Chapter per city fulfilling the constitutional mandate. Thus the slogan of *ONE PASAY* - to be a bigger force which is a joint mixed association of JCI Pasay and JCI Perlas Pasay Senators.

Prior to this organization as One Pasay, the individual JCI Senate Pasay members were active individually through the Metro Manila JCI Senate. Inducted as Charter President was JCI Perlas Pasay Sen. Maria Agnes Angeles at the Elks Club Makati, followed by 2017 Senate President Lavi Peñaverde, 2018 Senate President Sharkki Silverio, 2019 Senate President Majella Bambo, 2020-2021 Senate President Cesar Ochoa, 2022 Senate President Lulu Sotto, 2023-2024 Senate President Elton Tan, and finally 2025-2026 Senate President Gene Bautista.

Key local city projects of the chapter was the revival of the young JCI Pasay Male Chapter in 2022, participation in the Brigada Pagbasa of the Department of Education, charity activities with the Philippine National School for the Blind projects based in Pasay through its Braille Reading Contests, as well as support activities for the all-women local organization of JCI Perlas Pasay. Among its strong continuing support for JCI Senate Philippine Flagship Projects such as The Outstanding Filipino (TOFIL), Greenlink, The Outstanding Filipino Physician (TOFP), is that the JCI Pasay Past President Cesar Ochoa is Founding Chairman of National Flagship Project WATCH (We Advocate Time Consciousness & Honesty) in 2007-2008 succeeded by JCI Perlas Pasay Past President Maria Agnes Angeles in 2009 as National Chairman.

Message from The 2026 LO President of JCI Philippine New York Jesse Marcus Rivera

Warmest greetings to President Krystene, 2026 Board of Directors and Officers and to the entire JCI Perlas Pasay family!

On behalf of JCI Philippine–New York, congratulations on your upcoming Induction and the start of a new term of leadership and service. This celebration is not only a milestone—it is a powerful reminder that leadership is a legacy we choose to carry forward with purpose.

Your theme, “Heritage of Excellence,” resonates deeply with us. Heritage is more than history—it is the standard we honor, the values we protect, and the reputation we uphold through our actions. Excellence, likewise, is not a title; it is the daily commitment to serve with integrity, deliver with quality, and lead with heart.

As we begin our own term under the theme “Elevate and Evolve,” we see a beautiful connection between our journeys. To Elevate is to raise the bar—to lead with higher standards and greater impact. To Evolve is to adapt and grow—so our service remains relevant, inclusive, and transformative. When paired with a Heritage of Excellence, it becomes clear: we do not simply continue a legacy—we strengthen it, improve it, and expand it for the next generation.

May this new term bring you unity, momentum, and meaningful projects that uplift your community and inspire more young leaders to step forward. JCI Philippine–New York proudly stands with JCI Perlas Pasay as sister organizations in the shared mission of creating positive change.

Congratulations once again, and mabuhay ang JCI Perlas Pasay!
